Please also get in touch with Angelica if you would like to get involved with the Committee—we always welcome new members and you can find information about what we do on the Pre-School website.

## Parents: We Need You!

We would be really grateful if you could help out at one session per term.

The children really enjoy seeing a new face, plus it gives you a great insight into the running of the Pre-School!

If you are interested, please speak with Paulina so that you can arrange a date.

You can also get involved by joining the Committee—we would especially love help with fundraising activities!

## Policies and Procedures

Please could all new parents take some time to read the Pre-School Policies and Procedures. The easiest way to do this is via the recently updated website:

If you have an old spare iPad, please consider donating it to Pre-School - it would help us to set up an online journal to communicate with you about your child's learning!

This term, the children have been enjoying a wide range of fun and engaging activities!

The Role Play Area has been transformed into a bakery, a tree house, a garage, a beach, and also a mini city, including streets, cars and traffic lights! (pictured on the right)

In addition, at the Craft Table, we have been making birds, musical instruments, Chinese lanterns, clay dogs, and jelly fish.

We have also been playing with cars and train tracks, and we have made marble runs, bird charts and street maps too!

## CONGRATULATIONS!

Everyone at Pre-School would like to say congratulations to Lukas' mummy, Susanne Knowles, who has just given birth to a beautiful baby girl, Hannah. We wish all the best for the whole family, and look forward to welcoming Hannah to the Pre-School community in a few years' time!

## Fun Events at Pre-School!

We started off the second half of the term with a celebration of the Chinese New Year!

Yaya's mummy came in one day to read a story to the children all about the Chinese New Year.

The children also had lots of fun tasting some yummy noodles in celebration of the new year.

For the start of World Book Week, on 1st March, Luca's

mummy Anita came in to read an interactive e-book that she has published, called *The Red Hot Fireball*. This is a bilingual book (in French and English) that helps children to manage their anger. For details, see: [www.editionsutopie.com](http://www.editionsutopie.com)
